SUMMARY

A creative and detail-oriented Graphic Designer with professional training and hands-on experience in branding, logo design, social media creatives, and print design. Seeking to build a successful career in graphic design by applying my creativity, design expertise, and continuous learning to deliver effective visual solutions and contribute to organizational growth.

EXPERIENCE

Executive, Graphics Designer

Softvence Agency Omega Prime

August 2025 to Running 2026

- Developing comprehensive branding systems, including logo design, typography, and color palettes, ensuring a consistent visual identity
- Crafting visually compelling social media graphics, YouTube thumbnails, and marketing collateral to enhance brand visibility and engagement
- Collaborating with the operations team to create impactful marketing materials and social media graphics
- Utilizing Adobe Illustrator, Photoshop, and Canva to produce high-quality, pixel-perfect designs for both digital and print platforms
- Managing multiple design projects simultaneously under tight deadlines in a fast-paced environment while maintaining premium quality
- Staying updated with the latest design trends and AI tools to continuously improve workflow efficiency and creative output

Jr. Graphic Designer (Paid Intern)

Salamat Innovation

May 2025 - July 2025

- Developed modern gadget product visuals, website graphics, and promotional web banners tailored for consumer engagement.
- Produced high-converting social media creatives and promotional campaign assets for gadget product rollouts.
- Collaborated daily with the Creative Department to maintain modern branding standards and visual consistency.
- Handled high-volume asset preparation, image retouching, and product presentation mockups under tight deadlines.

Executive, Sales Execution & Merchandiser

CODS Clothing Co

June 2022 - August 2024

- Managed sales execution and merchandising workflows within the apparel industry
- Coordinated between production units and sales teams to ensure product specifications, quality standards, and timelines were strictly met
- Analyzed sales data and market trends to provide actionable insights for product planning and inventory management
- Built and maintained strong relationships with suppliers and clients, ensuring smooth communication and efficient problem-solving
- Optimized supply chain workflows and documentation, resulting in reduced operational delays and improved team efficiency
- Applied organizational and time management skills to streamline operational tasks
